I can't wait for next year.
See you soon. John

Songleaders Aid Teams

The 1980-81 songleaders are busy and successful. They make signs and cheer for every sporting event to promote spirit. They do special things for the players such as decorating the football player's bedrooms and the restaurant where the team had their pre-game meals. Besides going to all the sporting events, they perform in every pep assembly and go to all competitions with their first place routine, "Wacky Dust".

Guiding them is their advisor, **Mr. Fried**. He takes movies of the pep squads at each function and sets up the student store where the song and cheer squads work to help raise money.

1. The Pioneer spirit shows through.
2. Songleaders pose for the picture.
3. Songleaders display one of their moves.

A Friend

*A friend is to be remembered,
to be cherished dear in thought.
A friend is to be made,
not given, sold or bought.*

*That is why I've chosen
to keep you as my friend.
You're someone I can talk to,
when others choose to offend.*

*I know we've been through battles,
we've argued and we've fought.
But when it comes right down to it,
you're the best friend I've got.*

*To please don't ever forget me,
if ever we should part.
I know you'll be remembered
down deep within my heart.

SENIORS

Senior Officers Show Leadership

Leadership is an important part of school life. Senior officers are the leaders of the future. They are in many activities such as: assemblies, senior buttons, and senior week. The officers are full of spirit, pep, pride, and show other students how to have a good time at W.H.S. The seniors of 1981 hope that future graduating classes will follow the footsteps that they have left behind.

He says the flag salute in the morning and also does the announcements so every Pioneer will remember if they have an important meeting, or if there is a sporting event telling us the admission price. **Scott** made the Western Cross Country Team and is an excellent runner. Homecoming Game Brings Excitement

The homecoming game is held during spirit week. This week is the time for students to act wild and crazy before the big game. Happiness and Fun at Homecoming

Homecoming week, also known as spirit week, is fun for all students at Western High. The "Throw the pie at the teacher" event at the homecoming assembly is exciting as members of each representative class smash faculty members in the face. On every school day of spirit week, different pioneers show spirit by dressing up for nerd day, tourist day, and fifties day. Western is always full of spirit on these special occasions.

1. Jay Hearn, ready to smash a teacher in the face waits patiently with a pie.
2. Liz Haller gives boyfriend, former pioneer, a mum.

Seniors anxiously wait in line to get portraits taken September 22-24. There is a sitting fee of \$6.00 and pictures are delivered December 2. There are approximately six proofs from which to choose. People stand in front of mirrors combing hair and fixing clothes while waiting in the social studies lecture hall. When they get their proofs, there are many decisions like which one goes in the yearbook, and which ones will be selected to hand out to friends.

1. Lisa Myers and Debbie Honjiyo check schedule for senior pictures.
2. Don Arvidson and Terry Higbee stop to smile for the photographer.

Junior Officers Make Way to Top

The Junior Class Officers Frank MacKay, president; Juli Keller, Secretary and Mitzi Allison, Treasurer; are very busy attending meetings where they express their views on how to improve the school. They also spend many hours planning the junior/senior prom. This is not easy since they have to find the perfect place to hold it, the decorations and the theme.

Freshmen Officers Begin Traditions

The 1980-81 school year brings many new things, ideas and traditions. One of these ideas is Western's Freshmen officers. On campus, they attend weekly meetings and bring into the open new thoughts that may help Western in the future. The president, Lance Locasio; Vice president, Stefany Williams; Secretary, Patty Smith and Treasurer, Holly Evans work very hard to improve Western High School and promote school spirit. Their advisor, Mr. Loop, congratulates these officers on doing such a great job.

Lunch Time Means Munchies for All

Lunch time is the time of the day when everyone is able to talk, laugh and be themselves without being yelled at by a teacher. It is also the time of the day when students get to meet with their friends, to eat and to enjoy the thirty minutes of freedom from the classroom.

Administration Leads the Way

No counselors could be counselors if no one needed to be counseled. Well, if you sit down and think about it, it's true! But counseling students is only one of the many things they do. For example, they not only counsel students themselves, but they also counsel the parents of students to help bring about understanding between them.

Now that all of the counseling has been done, who do you think takes care of the majority of public relations and the legal aspects of school? Why, the principal and assistant-principals of course! As an example, they help to discipline students and aid in many school activities.

1. Mrs. Wheeler helps students with schedule.
2. Mr. Fried gives advice to student.
3. Mr. Glenn and Mr. Jones discuss matters concerning school.

Western Owes Thanks to Personnel

Western High's faculty and students undoubtedly owe much thanks to the support of their classified personnel who worked to keep Western's campus functioning properly. The secretaries and clerical aids helped the principal, assistant-principals, and counselors to organize their office procedures.

Talented Teachers Thrill Audiences

Western has talented teachers from science to music. The audiences of course are the students who depend on these teachers to educate them with all they know about their subjects. Most of the time Western is seen with smiling faces, but when a teacher frowns and gets upset, it has to be for a good reason. Teachers are the encyclopedias of the world filled with facts and ideas.

Different Spokes Move Different Folks

How many times have you sat home or couldn't go anywhere because you didn't have a ride? Then you become a Sophomore and finally get your license. Now the only problem is finding parents that will trust you with their car.

Many of us are lucky enough to have our own cars, but for those of us who aren't there are always the bicycles. Bikes are a great way of traveling because they are cheaper to ride and to fix. Most people prefer "beach cruisers" produced by Schwinn and Murrays. Others prefer the motocross type, doing different stunts and jumps. Any kind of bike you like will get you where you're going and will save energy for our future.

Band, Colorguard Gain Honors

The Western Pioneer band and colorguard are busy competitive groups. They perform at many half time shows here at Western and at many of the away games. Competitions are also very important; parades and half time shows are the most common.

The colorguard team, made of seventeen flags and six rifles, practices one hour before school and two and a half hours after school every day. **Sherri Pitts**, the colorguard captain, **Lori Miller**, the flag leader and **Lisa Wonacott**, the rifle leader, work extra hard to polish the winning team. The team has many honors; first place at the Savanna Half Time Show, Third place at the San Dimas Parade, and a fourth place at the Los Altos Half Time Show.

The band is an equally competitive group, practicing many hours before and after school. Some of the band members have two classes, one that specializes in their instrument and one working with the group.

The Pioneer Band and Colorguard hosts the Silverado Days Parade and their own second annual Field Show Competition. The twenty-fifth anniversary parade at Disneyland includes the Pioneer Band and Colorguard, which is a great honor for Western High School.

I love you, not only for what
you are but for what I am when I

for what you have made of you,
but for what you are making of
me.
I love you for the part of me
that you bring out. I love you
for reaching and touching my
heart, and passing over all the
fodish, weak things that you can't
help dimly seeing there, and for
drawing out into the light all the
beautiful belonging that no one has
looked quite far enough to find.

 Thanks for making High School so special.
 Because of you, I see life differently.
 Thanks for loving me, caring, sharing, and
 being there. May God bless you, and

 I Corinthians 13:13

Our Separate Ways
 Once we go our separate ways,
 will we remember those good old days?
 When you were mine, and I was yours.
 We were growing up and couldn't
 choose between the doors.
 I can't think of any words to say,
 and I just can't cry.
 I feel a sense of loss,
 and yet I ask "Why?"
 I must stay here,
 and you must go there,
 But one thing to remember,
 I'll always care.
 I remember when there was
 a feeling inside,
 I just couldn't explain;
 When you held me close, like a child
 in the rain.
 I've dreaded the day when we'd
 say goodbye,
 So I'll wish you luck, and try not to cry.
 I'll kiss you and think of those
 good old days,
 Remember I'll always love you,
 as we go our separate ways.

"Letter To A Friend"

Thank for being a friend,
With time to share your friendship
with unselfish lend.

We talked and joked and had a laugh,
And now it's time to separate our paths
Now you'll go your way,
I'll go mine,
And someday we'll meet,
Together in time.

You're the best friend that I've got,
And you can believe that means alot.

Remember me by calling or dropping a line,
Just to say "Hey, I'm doing fine."

Now that it's time for us to part,
Everything I said came from the heart
And again I say, from friend-to-friend,
Thank for being a friend from now
until the end.

Terry Myers '81

Our tomorrows rolled away,
unfolding in the past they lay.
Now we call them yesterday
when memories were made!

Locked forever in the past,
today has journeyed there so
fast
we have only memories to
grasp
of life's role that we have
played.

Still today is not too late,
for magic moments will relate
if we could just leave out the
hate-
as to the past they fade.

I couldn't miss.
You can bet,
I'll never forget.
It was like a
dream come true,
Just to be there
with nobody but you.
I know that nothing
can go wrong,
'Cuz my heart is
filled with song.
(Any more) I won't be sad,
I won't be blue,
'Cuz, I hope you know,
that I truly love you.
Love Terry

Grandpa,
Thanks so much for your
friendship. It has meant so much
to me. You're really a special person.
I'll always remember you & love
you lots.
Dina

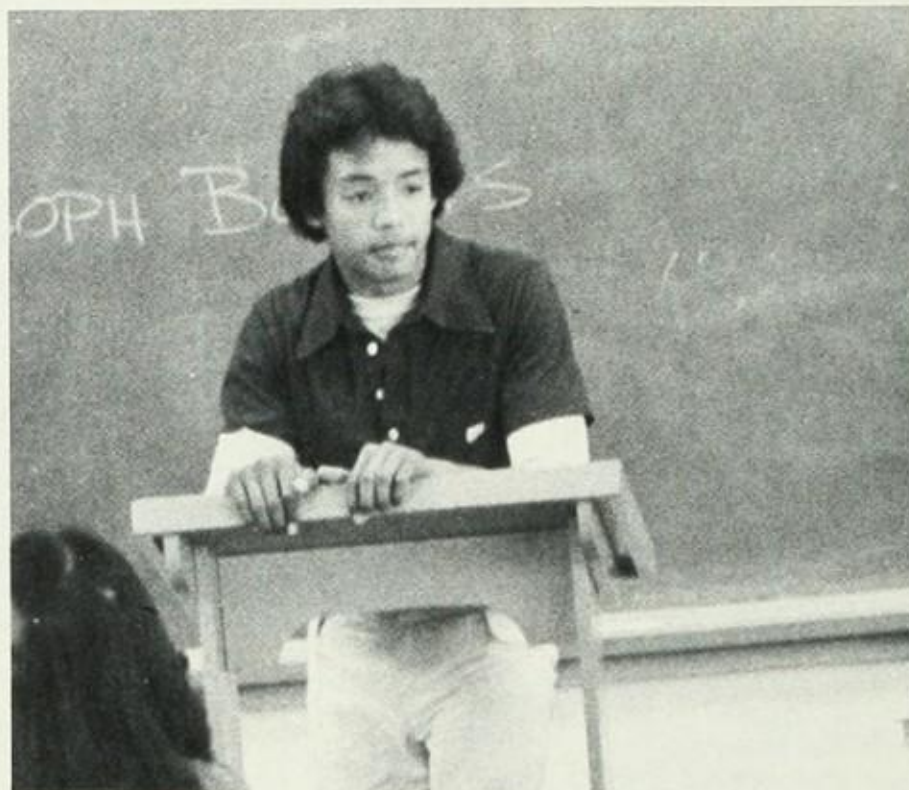

HALLOWEEN PARDOO 80'

We are family

We will always be a family, In everything we do,
We've shared so many memories, All our dreams have
come true. Throughout our sophomore year so many
people have been friends, and though the end of school
is here our friendship never ends. We had a lot of
meetings, but not one went to waste. We planned lots
of great things to show our perfect taste. We laughed
and joked and played around, We always had such fun.
We sat down and thought seriously until our work was
done. Someone was always willing to lend a helping
hand, And although there was mass confusion, every-
one could understand. We'll always remember being
sophomores, how could we ever forget. It opened a lot
of closed doors, think of all the experiences we met. We
will always remain together although someday we
must part, we shared our first year of high school,
somehow, that was our start. **Shelli Sakamoto**, class of
'83.

Dear Readers,

Thanks for taking the time to read this book. I hope that you like it. The staff and I did our best to get everyone in, and names spelled correctly. We are terribly sorry if someone was forgotten or a name spelled incorrectly.

I would like to add extra thanks to the hard workers: **Mariann Bienert, Karen Hancock** and **Jeff Hernandez** for working all hours of the day and night to meet deadlines. **Mrs. Boyd** deserves an extra special thanks also for being there to help us with the problems we faced.

Thanks to Everyone

LISA,
IT HAS BEEN
REALLY REALLY HORRIBLE
and terrible knowing your
and how you and how you
5000000 weird. Not I'm not
only kidding. If it wasn't for
you and how I would of died
in Mrs. Wobell's class. She is so
stupid. But we did have a lot of fun
in there, cheating. Well thank you for letting me
even though I read a lot of private
ones that you don't know about. And I'm
glad you got cleared with me and my brother
when he was telling me about this. Well I
guess I'll probably miss you and have. SEE you
NEXT YEAR. You dumb

Good,

To real great friend, sorry
that sometimes I get mad at
you for stupid things I don't
mean to be that way. I'm glad
that I got to know you better
this year because before 10th
grade I didn't know you too
well. It is fun to going driving
with you because I like to
watch you get nervous, anyway
I won't say "see you next
year," because "I know I'll
see ya all the time during
the summer at the beach etc.

LISA,
THIS YEAR HAS BEEN QUITE

Jesus: where do I begin? Last year at tryouts I was hoping you would make leader & bow here you are. At the beginning of the year I really didn't know you but now we are best friends. All the memories we have of each other are great. John & Janice & Sandy & the twins & everyone had some radical times like at Mr. Viles & at the library & diving through Pink Park. Oh! remember dinner before spring show practice. What about the night after tryouts when Ted got into the water that was the best. I know next year our friendship will be even closer than it is now. It's gonna be great being on the rifle line next year I know we are gonna do even better than we did this year and we did pretty good. I wish you all the luck on making leader for next year although I know you'll get it. I hope this summer I'll get to do something and make we can go to the beach or shopping or something with guests & fun & invitational. I hope everything works out with your family & I've had and am still having my problems with my family and really know where you coming from. Remember from now till you die, I'll always be here to give advise. Jesus: I love you so much that I'll have to explain my true feelings on paper. Well things are going alot better for me & Steve and I hope every time you get a boyfriend that he treats you with alot of respect. I love ya & always will

Lisa,

Why did you reserve such a big space for
me? I'm not much of a writer but I'll try
to take up all this space, I really glad we
are still friends this year, even though we didn't
talk much. I'd like to thank you for remembering
my Birthday and giving me that card (I still have it)
I hope next year you have a lot of fun as a
SENIOR and that band & flags do very well. Well!
I've taken up all this space so I had better
stop.

Love, Lance C.

I know I'll see you over the summer that's one thing I know for sure positive and I'll talk to you over the phone to that's another position I wish you the best of luck as a senior even though you won't need it. Take care. Love you.
